Informational Meeting

Saturday, May 28

8:00 a.m.

Corinna Township Hall
9801 Ireland Avenue NW
Annandale, MN 55302

There will be an informational meeting for property owners along 108th Street NW and Lawrence Avenue NW regarding the reconstruction and updating of portions of 108th Street NW and Lawrence Avenue NW. At this time, the town board expects to pay for the project without special assessments. If special assessments are required, you will receive new notices and a hearing will be held.

Reconstruction is needed due to the general deterioration of the road and a lack of drainage in some areas. The work will be done in phases in order to stay within the township budget.

Township road right-of-way survey stakes have already been placed. Please do not remove these stakes.

Please share this information with your neighbors in the event that any property owner has been overlooked or is not contained in our records.

FOR THE TOWN BOARD
