Wilke Sewer PID # 206-000-181416: Wright County is creating an easement for the Wilke’s existing sewer that is currently on Wright County park land. When Ben Oleson asked Barry Rhineberger at Wright County last summer, they stated that they had no permit records for the property, so there was never a trigger to upgrade or inspect the sewer. They are apparently just going to do their best to estimate where the existing sewer is and grant the Wilkes a temporary easement for their sewer to be on Wright County park land until it fails and needs to be replaced; Ben Oleson to follow up with Marc Mattice;
